Tincorp Metals Inc. Exhibiting at Booth 3048, PDAC 2023 Convention in Toronto, March 5-8

WHG-NR-23-05

March 6, 2023

Vancouver, British Columbia – March 6, 2023 – Tincorp Metals Inc. (“Tincorp” or the “Company”) (TSXV: “TIN”; OTCQX: “TINFF”) is pleased to announce that it will be exhibiting at Booth 3048 at the Prospectors & Developers Association of Canada Convention (“PDAC”) at the Metro Toronto Convention Centre from Sunday, March 5 to Wednesday, March 8, 2023.

Please see <https://www.pdac.ca/convention/maps?!=3048> for more details on the exhibitor directory.

Pursuant to the Company’s stock option plan, the Company granted 300,000 incentive stock options (the “Options”) on September 1, 2022 to its new director, Mr. Uribe-Zeballos. The Options are exercisable for a period of 5 years from the date of grant at the price of \$0.48 per share, being the closing price of the common shares on the TSX Venture Exchange on the date of grant. The Options vest in six equal tranches over a period of three years and are subject to the provisions of the Company’s stock option plan and the policies of the TSX Venture Exchange.

About Tincorp

Tincorp Metals Inc. is a mineral exploration company focusing on tin projects in Bolivia and a gold project near Whitehorse, Yukon, Canada. The Company has signed agreements to acquire up to a 100% interest in the Porvenir Project and SF Tin Project, which are 70 km southeast of Oruro, Bolivia. The Company’s 100% owned Skukum Gold Project is approximately 84 km south of Whitehorse by road. An independent mineral resource estimate update in respect of the Skukum Gold Project was completed in October 2022.

Cautionary Note Regarding Forward-Looking Statements

This news release contains forward-looking statements and forward-looking information (collective, "forward looking statements") within the meaning of applicable Canadian and U.S. securities legislation. All statements, other than statements of historical fact included in this release, including, without limitation, statements regarding the terms of the Agreement, the payment of a finder's fee and the approval of the TSX Venture Exchange are forward-looking statements. Estimates of mineral reserves and mineral resources are also forward-looking information because they incorporate estimates of future developments including future mineral prices, costs and expenses and the amount of minerals that will be encountered if a property is developed. Forward-looking statements are often, but not always, identified by words or phrases such as "expects", "is expected", "anticipates", "believes", "plans", "projects", "estimates", "assumes", "intends", "strategies", "targets", "goals", "forecasts", "objectives", "budgets", "schedules", "potential" or variations thereof or stating that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved, or the negative of any of these terms and similar expressions. Forward-looking statements are based on the opinions, assumptions, factors and estimates of management considered reasonable at the date the statements are made. The opinions, assumptions, factors and estimates which may prove to be incorrect, include, but are not limited to: whether the Company will acquire up to a 100% interest of the Porvenir Project; market fundamentals will result in sustained precious metals demand and prices; that there are no significant disruptions affecting operations, including labour disruptions, supply disruptions, power disruptions, security disruptions, damage to or loss of equipment, whether due to flooding, political changes, title issues, intervention by local landowners, environmental concerns, pandemics (including COVID-19) or otherwise; that the Company will be able to obtain and maintain governmental approvals, permits and licenses in connection with its current and planned operations, development and exploration activities, including at the Skukum Gold Project; that the Company will be able to meet its current and future obligations; that the Company will be able to comply with environmental, health and safety laws; and the assumptions underlying mineral resource estimates and the realization of such estimates.

Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking information. Such risks and other factors include, among others: the risk that the Company will not acquire up to a 100% interest of the Porvenir Project; social and economic impacts of COVID-19; actual exploration results; changes in project parameters as plans continue to be refined; results of future Mineral Resource estimates; future metal prices; availability of capital and financing on acceptable terms; general economic, market or business conditions; uninsured risks; regulatory changes; defects in title; availability of personnel, materials and equipment on a timely basis; accidents or equipment breakdowns; delays in receiving government approvals; unanticipated environmental impacts on operations and costs to remedy same; and other exploration or other risks detailed herein and from time to time in the filings made by the Company with securities regulators. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ from those described in forward-looking statements, there may be

other factors that cause such actions, events or results to differ materially from those anticipated. There can be no assurance that forward-looking statements will prove to be accurate and accordingly readers are cautioned not to place undue reliance on forward-looking statements.

Readers are cautioned not to place undue reliance on forward-looking statements. The Company undertakes no obligation to update any of the forward-looking statements in this news release or incorporated by reference herein, except as otherwise required by law.

Additional information in relation to the Company, including the Company's most recent annual information form, can be obtained under the Company's profile on SEDAR at www.sedar.com and on the Company's website at www.tincorp.com.

CAUTIONARY NOTE TO US INVESTORS

The technical and scientific information contained herein has been prepared in accordance with NI 43-101, which differs from the standards adopted by the U.S. Securities and Exchange Commission (the "SEC"). Accordingly, the technical and scientific information contained herein, including any estimates of mineral reserves and mineral resources, may not be comparable to similar information disclosed by U.S. companies subject to the disclosure requirements of the SEC.
